

## Carly Jones

### Manager

I am fully qualified and have worked in childcare for over 12 years now working in a variety of nurseries, pre-schools and even working in France at an activity centre. I love the challenge of being able to teach them something new, even if it's just the words of a song, and coming up with new games to play. But above all I particularly love being able to sit with them at snack times chatting about their day or the new animated film out in the cinema.

Hours:

## Julie Marsan-Ward

I have worked with children for over 20 years, since qualifying as a teacher. 5 years ago I took over a nursery in Camberley.

My own children attended an after school club in Farnborough so, as a parent, I fully appreciate the benefits this service provides.

I will be using my skills to help with the administration and registration of the service and want to be 'hands on' to support the staff we employ.

Hours:

Monday: After School

## Emily Ward

I currently work at St. Paul's nursery every morning as well as the after school club.

I enjoy the rewards of working with children and love helping out and taking part in all the different activities. I particularly love running about playing different ball games in the playground and helping out with jigsaw puzzles.

## Claire Gardner

I am fully qualified and have been working in childcare for 12 years, both in nurseries and as a nanny.

I have a daughter of 4 years old and I enjoy all aspects of working with children particularly arts, craft and messy activities!

I run the club on a Wednesday when Carly is off.

## Sarah Hughes

I qualified in childcare in July 2011 and currently work full time in a nursery. I have also had experience working overseas with children aged from 3 to 11 years.

My favourite thing to do with the children is to get messy and play cards or board games!

Hours:

Monday– Wednesday: Breakfasts

## Donna Clark

I am a busy mum of four children and work as a special needs assistant in Southwood Infant School.

I have worked with children from pre-school age to year 6, and have been with Carly and the team since May 2014.

Children intrigue me, they are entertaining to watch and have inquisitive minds.

Hours:

Thursday, Friday: After School

## Leila Vickers

I am a second year student at Farnborough Sixth Form College, currently studying Chemistry, Physics, Maths and Further Maths.

I have done a lot of volunteering with children in the past, including a summer holiday club and homework club at a junior school. I find working with children very rewarding, especially being able to help them with something they struggle with. I also really enjoy doing craft with the children and seeing their creative side come out!
