We also asked for your child's comments which showed that the children were very happy, feel safe and appreciate their teachers. They enjoy our school trips, visitors and all the extra-curricular activities the school offers. The positive feedback about the staff treating each child as an individual and how they develop children's love for learning as well as the caring ethos and character of the school were all strong themes that came through.

As a school we don't let things stand still. We will continue to ensure that all the team continue to develop and improve the already fantastic provision in school, despite the shrinking budget within which all schools are now having to work. Thank goodness for our wonderful PTA and our supportive parents!
