I Can Jigsaw

I am confident to leave my grown up	I can dress myself	I am confident to ask for help	I can say how I feel	I can go to the toilet by myself (wipe my bottom and wash my hands)
I can keep going even if I find some-thing tricky	I am Creative, I enjoy following my own ideas	I can join in with stories and rhymes and say out loud my favourite nursery rhyme	I am Curious about the world around me	I can feed myself (knife, fork and spoon)
I can keep myself clean (washing hands, blowing nose)	I can take turns and listen to others	I can play on my own and along-side others	I can try new things	I can listen to and follow simple instructions and ask and answer simple questions
